CABOOL SECOND BAPTIST DAYCARE NEWSLETTER

We are welcoming spring at CSB Daycare and thankful for the sunshine and warmer weather. Classes are practicing for the banquet program and working towards the end of the academic year. They have been enjoying time outside, practicing their music and completing special crafts. Staff is already making plans for our summer program and our school children are on the count down to summer vacation. As we plan forward, we need your help. Please complete summer/fall enrollment information (online or in paper form) and return it to the center before 5/15. This will help us plan adequately for pool days, special projects and staffing during the summer months. If you would like to complete the information online, go to www.csbcdaycare.com. If you need a paper form, see Rebecca.

EXPANSION EFFORTS

We are excited to share that the septic upgrades have been completed! This puts the center one step closer as we work towards necessary improvements inside and outside of the building that have to be completed to go through expansion inspections. After improvements are made and inspections are complete, we hope to be able to expand our center's enrollment capacity to include many families off our waiting list that span many different age groups. We have already begun contacting families to fill vacancies as changes impact our summer and fall enrollment.

This month, in addition to practicing for banquet, classes are continuing to work on their letters, shapes, numbers, matching, predictions, problem-solving and gross motor skills. In chapel children have been learning about celebrating Easter through stories of Palm Sunday, Good Friday, and the resurrection as well as making a special craft.

We look forward to celebrating spring and these wonderful children at banquet!

Reminder: Please complete summer/fall enrollment information online or by using the form that was sent home last week. We are working on establishing our summer calendar.
