

# August Daycare News

Cabool Second Baptist Daycare

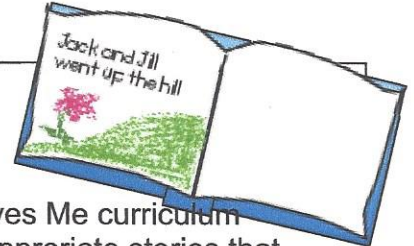

## Themes

August 20th daycare staff began implementation of the new curriculum, ABC Jesus Loves Me. Each classroom has posted activities and information outside of classrooms to keep parents informed of what their children are working on each week.

In chapel time, Mrs. Jessica is teaching about Faith & Trust and Obedience through a series of Bible stories and verses.

## Stories

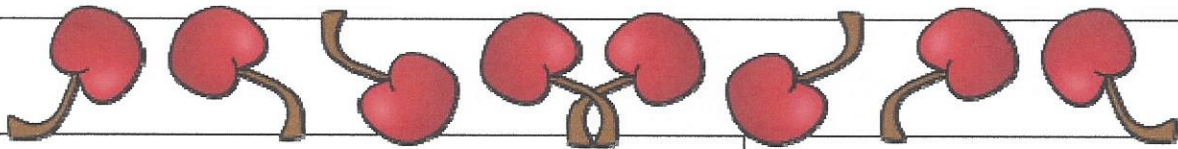

The ABC Jesus Loves Me curriculum recommends age-appropriate stories that reinforce learning objectives at every age level.

In chapel, Mrs. Jessica is using Bible Stories focused on faith and trust in, and obedience to, God.

## Activities

All classes are engaging in a variety of lesson activities, games, stories and crafts that reinforce the learning objectives from our new curriculum. Some of their work is hanging throughout the building. Check it out!

## Announcements

Cabool Second Baptist church recently celebrated 15 years. A special article was written about the daycare. Pick up a Cabool Enterprise and read about the history and growth of CSB Daycare!

TCMH now has a pediatrician on staff that is accepting appointments and new patients immediately. Information has been placed in your child's folder.
