UPDATES

This month we continue to celebrate growth at CSB Daycare. You may begin to notice some changes around the facility as we continue to work towards expansion and building improvements. In the coming weeks, there may be changes to traffic flow and parking as we accommodate ground work for our septic upgrades that help us move one step closer to expanding the daycare capacity. The church has begun the process to add siding to the building and contractors and construction teams will be here soon. As information becomes available, parents will be notified via notes in parent folders.

In addition to facility updates, we have a new staff member. Miss Hannah joined the daycare team March 6th to begin training with all age groups. We are excited to have Hannah with us.

Staff has already begun preparations for summer and fall. If there will be changes to your child's enrollment status or attendance, please notify us via email or Remind. If you are still not receiving Remind notifications, contact Rebecca.

Our annual daycare banquet and pre-k graduation is coming soon! The date has been set for Friday, April 26 from 6-8 p.m. There have been changes this year and we are excited for your children to share with you. **Daycare will close at 5 p.m. on 4/26** to allow staff time to finish getting ready for the program. Doors will open at 5:45 p.m. with meal and silent auction to begin at 6 and program at 7. More information will be sent home soon in folders, but you can reserve your spot early by going to the website.

CLASSROOM AND CHAPEL TIME

This month, in addition to regular curriculum, classes are working on crafts, activities and experiments and preparing for banquet. In the classroom children have been participating in center time, lesson time, and music/movement. During chapel time classes will begin studying miracles and the Easter season as well as practicing whole center songs for the banquet program.
